

# *The Fabulous First Grade Times*

Volume 1 Edition 1

Mission Grammar School, Roxbury, MA

Friday, Sept. 9, 2011

Hello Families,

This past week we have been working on classroom routines, creating classroom rules, discussing our hopes and dreams, working on sounds for letters F and M, and discussing how Jesus is our shepherd.

Scholars listened to the story of *The Good Shepherd*. We discussed that at times we are like the lost sheep and Jesus is our shepherd. He is always there to help and protect us. After discussing this story, scholars created lambs for our religion bulletin board.

Scholars worked very hard on their pictures and writings about their hopes and dreams. Many showed that they wanted to learn new things this year, such as how to count money, how to tell time, and they wanted to learn about animals as well. Others wanted to make new friends, which is a great way to show Mission Grammar's mission and how to be a peacemaker.

God bless,

Ms. Mills

## Please note:

There has been a change in the reading log. Scholars should read for 20 minutes a night instead of 30 and a visualization piece has been added for scholars to draw a picture of a character from one of their readings. I will send home the revised template on Monday, September 12. It can also be found on the school website as well. If you have any questions regarding this please let me know.
