

New in K2!

**Week of: September 6-
September 9**

We've Been Busy...

This week has been quite exciting for our K2 scholars and teachers! We have spent a lot of time creating a positive classroom environment where all of our scholars can learn and do their very best. We have created a set of classroom rules as a group that we have signed and will follow throughout our school year. Our scholars have also been working on illustrating their hopes and dreams for this school year. We have a very smart and ambitious group!

Ms. AuGuste and I have loved every moment of getting to know your scholars! Thank you to all of our supportive families who generously donated supplies that we will use in our classroom. They will certainly come in handy!

As always, Ms. AuGuste and I love hearing from you. Please do not hesitate to contact us if you have questions or concerns!

Warmly,
Ms. Kristen Miller
