

K2 has been busy practicing our classroom rules and routines. We are taking time to explore each center and all that we can do there! Be sure to check out our collages that we made while exploring with scissors and glue in the art center! This week we have been talking about transportation. We discussed how we get to school and read many books about transportation. We also read the poem “Rides” and practiced finding rhyming words.

Starting next Monday, our K2 class will do a nightly reading log. An adult, or older sibling, should read to your scholar 4–7 times a week. Each book read should be logged and then returned to school the following Monday. Reading to your scholar helps to build their literacy skills.

If you have any questions, always feel free to contact us.

Warmly,

Ms. Lindsay Daigneault–
