Memorial Bricks

In celebration of 120 years providing Catholic Education, Mission Grammar School will dedicate a special walkway in the rectory garden to our patrons. Engraved bricks can be purchased for \$75 (4" x 8") or \$125 (8" x 8"). Bricks may be dedicated in the memory of a loved one, Redemptorist, or School Sister of Notre Dame. Your contribution benefits Mission Grammar School and is tax deductible as applicable by law.

All letters will be centered horizontally and vertically.
The committee reserves the right to reject any inscription unsuitable for this fundraiser.
