## Staying Healthy Quick Tips!

Cover your nose and mouth with a tissue when you cough or sneeze.

Cover your mouth with your elbow if no tissue is available.

Wash your hands often with soap and water, especially after you cough or sneeze.

Alcohol-based hand cleaners are also effective.

Avoid touching your eyes, nose or mouth because germs spread that way.

Flu symptoms include temperature, sore throat, achy joints, and/or severe cold symptoms. If you have these symptoms, with a fever of at least 100.4 degrees, please stay home and call your doctor for further advice.

**Students and adults who have the seasonal flu or H1N1 flu cannot return to school until they have been free of all flu symptoms, without the aid of any fever-reducing medicines, for at least 24 hours. Kindly call the school office when your scholar is out sick. 617-442-2660 or email Ms. Lymon at [dlymon@missiongrammar.org](mailto:dlymon@missiongrammar.org)**
