

K1 Happenings!

Issue 19

January 30-
February 2

Hello K1 Families!

This has been a very productive week in K1! We have been spending a lot of time talking about what a map is, what our favorite colors are and what people and places make up a community. Take a look at some of our brainstorms next time you are in our classroom as K1 scholars have generated some wonderful thoughts and ideas!

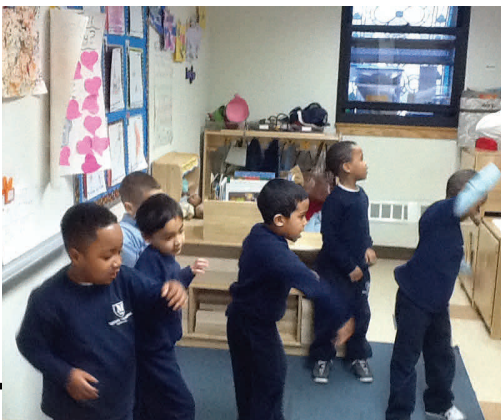

Hard at work searching for letters!

As part of our continued Peace First learning, K1 has begun an exciting cross-school partnership with a class at the Holmes school in Dorchester. As many of you may know, last year I worked for Peace First and this is an exciting connection for me, as well as K1 scholars, as I am able to connect with my former students! This week K1 began this partnership by writing a letter to the students at the Holmes School. K1 scholars came up with some wonderful questions to ask the Holmes students! This letter will be sent to the students at the Holmes through our wonderful Peace First teacher, Ms. Emily. I look forward to sharing more news about this very exciting collaboration!

Happy February!

Ms. Gilles (agilles@missiongrammar.org)

We're going on a Bear Hunt! (one of our favorite songs)

Fishing for letters and numbers!

Reminders:

- * Our school talent show is this Friday February 3rd at 6pm! Hope to see you there!
- * Report cards will be sent home this Friday, if you would like to schedule a conference please fill out the form sent home in your scholar's folder (on Thursday).
- * February vacation is the week of February 20-24

Things you can practice with your scholar at home:

- Ask your child where they live. We have been working hard to identify the city, state and country that we live in!
- Give your child a marker or highlighter and ask them to find certain letters in a newspaper or magazine. One of our centers this week was circle target letters in poems and it was enjoyed by all!
