

K1 Happenings!

Hello K1 Families and Friends!

This has been a wonderful week in the K1 classroom! On Monday a new work board was introduced during centers. During center time, scholars are placed in one of four groups. Each group has the choice of three different activities such as reading in our reading loft, playing with blocks or practicing writing their letters. Scholars have done a wonderful job making choices and staying on task during this time.

We also created a list of four classroom rules, entitled "How We Act in K1." The scholars decided that the following four rules were most important in our classroom: listen to the person who is talking, keep our bodies to ourselves, sit down quietly and raise your hand to speak. Each scholar signed this classroom contract with their finger print! Please remind and reinforce these rules at home.

Next week we look forward to starting a science unit on fall!

Best,

Ms. Tilley jtilley@missiongrammar.org
Ms. Gilles agilles@missiongrammar.org

Issue 3
September 19-23

Reminders & Announcements:

- * On Friday **October 14th** we will be going **apple and pumpkin picking** at Tougas Farms, please check your scholars folders for the permission slip!
- * Please label your child's long sleeve shirts and sweatshirts, many are getting left behind!

Things you can practice with your scholar at home:

- Identifying written numbers (1-20) and letters (upper and lowercase)
- Writing and identifying their first name
- Counting up to 20
- Looking at and "reading" books!
