

# K1

## Happenings

Week of September 6–9, 2011

### Happy First Week of School!

Welcome families to K1 at Mission Grammar School! It has been wonderful to meet all of you and your children. Each week we will send home a newsletter to keep you posted on what is happening in K1! This week in K1 we have been working on getting to know all of our friends, routines for our school day and how to use and play with different materials in our classroom. In addition, we have been reading many stories about school and how to act as good friends and peacemakers in our school and classroom community. Scholars have had a lot of fun exploring our classroom and meeting new friends.

Next week we are looking forward to exploring different areas of our classroom such as blocks, art center and dramatic play. We also hope to illustrate our Hopes and Dreams for this school year as well as beginning our OWL (Opening the World's of Learning) reading curriculum as well as our math, Building Blocks, curriculum. We are also looking forward to beginning Art and Gym class.

Please do not hesitate to contact us with any questions we may have. We look forward to working with you.

Ms. Tilley ([jtilley@missiongrammar.org](mailto:jtilley@missiongrammar.org))  
and  
Ms. Gilles ([agilles@missiongrammar.org](mailto:agilles@missiongrammar.org))

## **Reminders!**

- If you have not turned in your child's first day of school packet or early childhood inventory sheet please return as soon as possible
- While we do microwave lunches as school we can only microwave with two minutes, please do not send your child with macaroni and cheese that requires longer time and water (pasta and raviolis that do not require water are fine)
- If your child has not come to school with a blanket
- for rest time, please try to send them with one as this makes for a much more comfortable rest 😊
- Next week we will start Art and Gym
