

K2 scholars working on a puzzle together during choice time!

## New in K2!

### We've Been Busy...

Hello family and friends of K2 scholars!

This week we have started a brand new math unit focusing on geometric shapes! Scholars have been coming up with objects in our world that can be classified as cones, rectangular prisms, cubes etc.

We are very lucky that the fifth grade scholars have partnered with our K2 class to have reading buddies! Our K2 scholars have been absolutely thrilled each time that they have come to read with us.

In Reader's Workshop, we have been working on going to different centers where scholars complete an activity or work on a specific skill. This week, scholars have been reading at the library, writing in their journals, practicing writing their letters and working with our poem of the week! Centers are a great way for scholars to achieve academic success while working cooperatively with their peers 😊

We truly love hearing from all of our K2 parents and family members. Please contact us if you ever have any questions or concerns!

Warmly,

Ms. Kristen Miller [kmiller@missiongrammar.org](mailto:kmiller@missiongrammar.org)

Ms. Cathy AuGuste [cauguste@missiongrammar.org](mailto:cauguste@missiongrammar.org)

### \*Save the Date\*

1. **Monday, October 10<sup>th</sup>**: No school for Columbus Day
2. **Friday, October 14<sup>th</sup>**: Apple picking at Tougas Farms

### Friendly Reminders ☺

Please continue to complete weekly reading and math logs. Scholars have been doing a wonderful job!

Please send in your scholar's permission slip and money for the field trip by early next week. Please email or call me if there is a problem.

Parents who are going on our field trip: Please fill out a CORI form with Ms. Lymon if you haven't already done so!

### Our Favorite Read Alouds!

1. *The Three Little Pigs* by Gavin Bishop
2. *One More Acorn* by Don Freeman
3. *Stellaluna* by Janell Cannon

**Week of: October 3-  
October 7**
