

Painted Lady Butterfly

K1 Newsletter

June 10, 2010

We arrived back from the weekend to find that our caterpillars had transformed into butterflies! The children were so excited! On Tuesday, we sat out in the priest garden with K2 to set them free.

Thank you to the many parents who came with us on the zoo field trip this Wednesday! It was a huge success. The weather was gorgeous, and the children had a great time seeing all of the animals!

In science this week, we have been talking about seeds. The children had the opportunity to view pinto bean seeds under magnifying glasses and make observations. Next week, we hope to plant these seeds in cups, which the children will then take home to care for.

Enjoy the weekend!

Peace,
Ms. DeLaney (mdelaney@missiongrammar.org)
and
Ms. Green (vgreen@missiongrammar.org)

Notes and Reminders	Upcoming Dates
<ul style="list-style-type: none">Report Cards: Report cards for Term 4 and summer reading lists will go home on the last day of school.	<ul style="list-style-type: none">Family Picnic: Saturday June 12K2 Graduation: Monday June 14 at 10 a.m. All are welcome to attend!

Learning At Home: Letter Sounds

Working on letter sounds would be a great thing to do over the summer ☺ Perhaps, just focusing on the beginning sounds of words could be a starting point. You could play an "I Spy" game by saying "I spy something that begins with the 'f' sound." Then, have your child guess what you spy. Also, reverse roles and allow your child to "spy a sound" for you!
